     vs.
11
                                                    ORDER
12   W. AMBRIDGE*., et al.*
13   *Defendants*.
14

15   This removed *pro se* prisoner civil rights action by a Nevada state inmate comes before

16   the Court on Plaintiff's second motion (#51) for partial summary judgment, motion (#53) to

17   supplement motion for preliminary injunction, and motion (#54) to withdraw the second motion

18   for summary judgment.

19   The motion (#51) to withdraw the second motion (#54) for summary judgment will be

20   granted.

21   The motion (#53) to supplement the motion for preliminary injunction will be denied.

22   Plaintiff may not supplement a motion and seek expanded relief after the motion has been

23   briefed and ruled on. To the extent that the motion seeks reconsideration of the order denying

24   the motion for preliminary injunction, such reconsideration is denied. The prior order fully

25   outlines why preliminary injunctive relief has been denied. #50, at 6-7 & 11-13. Plaintiff has

26   not demonstrated a basis for an order dictating what materials may or must be considered in

27   either prison disciplinary proceedings or state parole proceedings or interfering with

28   anticipated or pending state criminal proceedings. Nothing in the motion to supplement leads

1   to a contrary conclusion. Further, nothing in the motion leads to the conclusion that the limited

2   injunction issued in the prior order (#50, at 16-17) provides inadequate relief within the context

3   of this litigation, which is the only litigation that will be addressed herein. Additional relief

4   related to anticipated or pending state criminal proceedings will not be provided herein, for the

5   reasons previously assigned.

6   IT THEREFORE IS ORDERED that Plaintiff's motion (#54) to withdraw the second

7   motion for summary judgment is GRANTED and the second motion (#51) for summary

8   judgment is WITHDRAWN.

9   IT FURTHER IS ORDERED that the motion (#53) to supplement motion for preliminary

10 injunction is DENIED.
